DISCLOSURE REGARDING SOLICITATION OF PATIENTS

(as required by §102 of the Texas Occupations Code)

Texas law requires that, at the time of initial contact and at the time of referral, Texas physicians disclose to patients (i) any affiliation the physician has with a person, health care facility, laboratory, or other entity for whom the patient is secured or solicited, and (ii) that the physician may receive, directly or indirectly, remuneration for securing or soliciting the patients. This disclosure is intended to help you make a fully informed decision about your health care:

Jaime Robledo MD has a direct or indirect ownership interest in Custom RX, LP and may receive remuneration from this company.
